Return by mail: WMLP | 2 Municipal Way | Wellesley | MA 02481

Choose the percentage of your energy you would like to come from renewable, local sources for only 4 cents per kWh more.

Participation Level:

100% = \$34.00* **50%** = \$17.00* **25%** = \$8.50* **10%** = \$3.40*

* This is the approximate monthly surcharge for a typical Wellesley home using 850 kWh/month.

Name _____ Email _____

Street Address _____

Offset the small surcharge with these **MONEY & ENERGY SAVING TIPS** | Worth trying

- › Use power strips on home entertainment and computer systems
- › Install CFLs inside and outside
- › Check refrigerator & freezer temperatures and unplug 2nd one when not in use
- › Air dry dishes or use dishwasher on economy mode
