### Mission & Goals

The purpose of the SSC shall be to serve as the central advisory of the school. The goal of shared decision making is to create a climate in the schools where the faculty, parents, administration, and other community participants working together share the responsibility and accountability for school improvement. Topics may include:

- Adopting educational goals for the school that are consistent with local educational policies and statewide student performance standards
- Identifying the educational needs of students attending the school
- Reviewing the annual school building budget
- Formulating a school improvement plan
