

# CLIMATE CHANGE AND NATURAL HAZARDS PUBLIC MEETING

Our climate is changing and the Town of Needham is developing Climate and Hazard Mitigation plans to prepare for future extreme weather events. The plans will make the Town eligible to apply for funding of town priorities.

Please join us for a presentation on natural hazards and climate impacts.

**We are seeking your feedback on the priorities that should be included in the plans.**

**Date: Monday, March 16, 2020**  
**Time: 7:00 PM**  
**Location: Rosemary Recreation Complex**  
**Multi-Purpose Room**  
**178 Rosemary Street**
