

Hazard Mitigation Plan Public Meeting

Natural hazards can have serious impacts on the City of Newton and its residents and businesses

The City of Newton is preparing a Hazard Mitigation Plan to help the city reduce its vulnerability to natural hazard events such as flooding, hurricanes, and winter storms. Please join the City for a public presentation of the Draft Hazard Mitigation Plan at a meeting of the Zoning and Planning Committee. Questions and comments from the public are welcome at the meeting or afterwards until May 27, 2019.

Date: Monday, May 13, 2019

Time: 7:00 pm

Location: Newton City Hall
1000 Commonwealth Avenue, Newton, MA
