

Fuller Brook Park Committee

Meeting minutes for September 12, 2017

The meeting was called to order at 8:00 a.m.

Attending: Diane Campbell, Paul Criswell, Kurt Somerville, Mike Pakstis, Pete Jackson, Dave Hickey, Brandon Schmitt

Absent: Heidi Gross and Robert Carley

Guest: Donna Dickerson

Citizens attending: Jay Prosnitz, Michael Mahlenkamp, and Peter Solomon

Citizen Speak:

- Jay Prosnitz again expressed concern about vehicle speed on Cottage Street and requested a traffic crosswalk sign like at Brook Street. This request should go to the Traffic Safety Committee
- Pete Solomon, Leighton Road, asked about plantings and snow removal procedures at the dead end streets
- Pete Solomon also asked about pruning of various trees and shrubs at the base of Leighton.

Pete Jackson shared a slide presentation documenting highlights of the Fuller Brook Park Restoration Project.

The group agreed that this presentation should have a wider audience, perhaps even at ATM.

Hard construction is projected to be complete by October 31.

Status of the FBPC- We will reach out to the Moderator and/or Selectman's Office to determine how our group dissolves.

Friends: At the meeting there was a discussion of the role and the Friends and neighbors. This group is looking for direction and information from Cricket Vlass and/or Paul DePhillips. The citizens present engaged in this conversation.

The next meeting will be October 17, 2017

The meeting adjourned at 9:10.

Respectfully submitted,
Diane Campbell, chair FBPC
