Select Board Update

NEW! Citizens' Leadership Academy

The Town of Wellesley relies extensively on resident participation, with more than 200 volunteers serving on elected and appointed boards and working alongside staff to guide local decision-making. To strengthen this engagement, the Town has created a Citizens' Leadership Academy, a low-cost and proven program used successfully in many other communities.

The Academy will help residents better understand how local government operates, introduce them to senior staff and departments, and encourage informed participation in Town Meeting, boards, and committees. Key goals include building a more knowledgeable and engaged citizenry, expanding the pool of volunteers, and reducing misinformation by connecting residents directly with accurate sources of information.

Be part of the inaugural Citizens' Leadership Academy class! [Complete the online application](#) and return it electronically or deliver it in-person to the Select Board Office (3rd floor, Town Hall). Applications are due by 5 p.m. on Friday, February 27. Please [email Wellesley Assistant Executive Director Corey Testa](#) with any questions or if you need additional information.

THANK YOU to our Highway Division staff for their work pre-treating roads; plowing streets, sidewalks, and parking lots; carting away snow piles; and continuing to respond to lingering issues by pushing back snow at intersections and ends of streets.
