

HUNNEWELL FEASIBILITY STUDY COMMUNITY KICKOFF

**Thursday September 20, 2018
7:00 - 9:00 PM
Wellesley High School
Auditorium**

The School Building Committee invites you to come hear about the Hunnewell feasibility study process and timeline, ask questions of the project consultants, and learn about future opportunities to engage and provide feedback on the project.

Topics will include the educational visioning process, key features of today's elementary schools, the approach to sustainability, swing space options, and ways stakeholders will be included as the Town develops its plan for the Hunnewell School.

The School Building Committee (SBC) is charged with conducting a feasibility study of options to substantially renovate or rebuild the Hunnewell School to meet modern standards for education.

Let's Connect!

Come to the kickoff with your ideas, comments and questions.

Can't make it?
