Any other provision of this Bylaw notwithstanding, no new building or structure shall be constructed or used, in whole or in part, and no building or structure, or part thereof, shall be altered, enlarged, reconstructed or used, and no land shall be used, in any part of the Town:

- A. For any purpose which by the emission or discharge of fumes, vapor, smoke, gas, dust, cinders, offensive odors, chemicals, poisonous fluids or substances, refuse, organic matter, or excrement, the causing of noise or vibrations, or by unduly increasing the risk from fire or explosion, or otherwise, would be obnoxious, offensive, dangerous, or injurious to the public health or safety.
- B. For any purpose which would be for any reason injurious to the health, safety, morals or welfare of the community or harmful to property therein.
- C. For the parking, keeping or storing of a mobile home or house trailer.
- D. For the parking, keeping or storing of one or more commercial trailers for an aggregate total of more than thirty (30) days in any one year unless said trailer is:

  - 2. Stored or parked pursuant to a permit issued by the Select Board allowing sale or lease of new or used vehicles, or
  - 3. Stored or parked pursuant to a permit issued by the Select Board allowing public purposes or non-profit charitable purposes, or

If after obtaining all necessary permits and approvals such work is commenced and later abandoned, as said term is defined in the State Building Code, any areas of the site which have been disturbed during construction shall be re-vegetated in a manner sufficient to prevent erosion. To secure re-vegetation in the case of abandonment of a project, the Building Inspector, or in the case of a subdivision of land, the Planning Board, may require, as a condition of granting the necessary permits and approvals, that the owner post a bond or other satisfactory security in an amount reasonably estimated, by the Building Inspector, or the Planning Board, as the case may be, as sufficient to perform the work.
