RULES AND REGULATIONS

Pursuant to the provisions of Massachusetts General Laws, Chapter 40A Section 12 and Chapter 40B, Sections 21-23, and the Wellesley Zoning Bylaw, for the purpose of establishing uniform procedures for conducting the business of the Wellesley Zoning Board of Appeals (hereinafter, the “Board”) which, in general, but without limitation, shall consist of hearing and acting upon all applications, appeals and petitions coming under its jurisdiction as either a permit granting authority or a special permit granting authority, the Board, acting as a quasi-judicial board, hereby adopts the following rules:

Article I – Organization

Section 1: Members and Officers

The Board shall consist of three regular and three associate members, each of whom has been appointed by the Board of Selectmen for a term not to exceed three years. A majority of all six members must vote favorably to elect each officer and the members shall elect the officers of the Board annually, which shall include the Chair and the Vice-Chair. The election shall occur at the first meeting in July, or at the earliest possible meeting thereafter when the entire Board is present.

Section 2: The Chair – Powers and Duties

The Chair shall preside at all public meetings of the Board. He or she shall vote and be recorded on all matters coming before the Board at such public meetings. He or she shall decide on all points of order, unless overruled by a majority of the members sitting. He or she shall oversee the work of the Executive Secretary, request necessary help and exercise general supervisory power.

Section 3: The Vice-Chair – Duties

In the absence, inability to act or apparent conflict of interest on the part of the Chair, the Vice-Chair shall perform the duties of the Chair.

Section 4: Associate Members

Associate members shall sit on the cases before the Board as part of a regularly scheduled rotation of the members, or in the case of absence, inability to act, or apparent conflict of interest on the part of any Board member.

Section 5: Quorum

Three members shall constitute a quorum for consideration of any application for a special permit/finding, special permit or variance; appeals from the decisions of administrative officials; or petitions for site plan approvals or comprehensive permits. Only those members who have participated in all public hearings for an application, appeal, or petition may act upon that application, appeal or petition. Pursuant to MGL Ch. 39, Section 23D, a member shall not be disqualified from voting on the matter at a public hearing solely due to that member’s absence from no more than a single session of the public hearing at which testimony or other evidence is received. Before any such vote, the member shall certify in writing that he or she has examined all evidence received at the missed session, which evidence shall include an audio or video recording

of the missed session or a transcript thereof.

Section 6: Resignations

If a regular member or an associate member resigns from the Board, the resignation shall be submitted in writing to the Chair of the Board of Selectmen and a copy shall be provided to the Town Clerk and to the Executive Secretary. Subject to any applicable restrictions relating to the terms of the appointment of the individual, the resignation may specify a future effective date, so as to allow completion of any pending cases in which the member has participated.

Section 7: Executive Secretary – Duties

The Executive Secretary and other staff of the Board from time to time shall be subject to the direction of the Board and its Chair, shall undertake all of the clerical work of the Board including all correspondence of the Board, sending all notices required by law and the rules and orders of the Board, prepare all application forms, receive and scrutinize all petitions and applications for compliance with the rules of the Board, prepare dockets, keep minutes of the Board's proceedings, compile all required records, draft all required decisions, maintain necessary files and indices and, unless waived by the Chair, read the legal notices at all Public Hearings. For all matters pending before the Board, the Executive Secretary shall be the only proper point of contact with the public when the Board is not in session.

Article II – Functions of the Board

Section 1: Public Hearings

The Board shall hold public hearings on all (1) applications for variances, special permit/findings, special permits; (2) appeals from decisions of the Building Inspector; (3) petitions for site plan approvals¹ or comprehensive permits; or (4) actions as otherwise authorized by the Zoning Bylaw. The Chair, after consultation with the Executive Secretary and the members, shall appoint three members as a panel to hear all evidence, deliberate, and decide all matters at each of the public hearings. All public hearings shall be open to the public, and the public is encouraged to bring relevant issues to the attention of the Board, whether in writing prior to the public hearing or orally at the public hearing, provided that such questions and comments are directed to the Board and not to the applicant, appellant or petitioner. The presiding officer at each public hearing (hereinafter, the "Acting Chair") may exclude any person from the public hearing that he or she deems to be a serious hindrance to the orderly workings of the Board. The use of cell telephones or other electronic communication devices is prohibited at all public hearings.

The Acting Chair at the public hearing shall be the Chair, if the Chair is appointed to the panel, the Vice Chair if the Chair is not empaneled, and the senior member of the panel if neither the Chair nor the Vice Chair is empaneled, unless otherwise agreed by the panel members.

Applications for variances, special permit/findings, special permits and appeals are heard at a public hearing separate from the public hearing of petitions for site plan approvals and comprehensive permits. The agenda for the former shall generally be limited to a maximum of ten petitions, provided that the Chair, after consultation with the Executive Secretary about the nature

Section 2: Hearing Schedule

Regular meetings of the Board, comprised of public hearings for the applications for variances, special permit/findings, special permits and appeals, shall be held as necessary on the first Thursday of each month at 7:30 p.m. in the designated room at the Wellesley Town Hall, provided that the meeting schedule may be altered to accommodate holidays, election days, or other events that could materially interfere with the availability of Board members or interested parties. The regular meeting schedule for a calendar year, along with application submittal dates, shall be adopted by the Board each December and shall be posted publicly on the Board's website (<http://wellesleyma.gov/DocumentCenter/View/12485/2020-Hearing-Schedule-PDF>).

While the Board anticipates that its public hearings and public meetings will be held in a physical location in Town-owned facilities, the Board reserves the right to schedule and hold remote, electronic meetings, to the extent allowed by Massachusetts General Laws, and provided that requirements for public notice are met, and provided further that for public hearings, an electronic mechanism is provided to receive comments and questions from the interested public.

Section 3: Notice of Public Hearings

Notice of public hearings shall be advertised in accordance with Mass General Laws, Chapter 40A, Section 11. Section 4: Representation and Absence

An applicant, appellant or petitioner shall appear in his/her behalf, or be represented by an agent or attorney. In the absence of any appearance with or without written explanation by the applicant, appellant or petitioner, the Board shall decide on the matter using the information it has received, vote unanimously to continue the hearing, or decide by unanimous vote that the petition be denied.

The Board shall determine the scope of the engagement, including preparation of a peer review report and presentation to the Board, and the applicant or petitioner shall be required to pay for such services. Peer review processes and procedures shall be in accordance with Mass General Law Chapter 44 Section 53G.

Section 8: Disposition by the Board

The unanimous vote of all sitting members of the Board is necessary in granting variances, special permit/findings, special permits, appeals, site plan approvals and comprehensive permits. The Board shall set forth its reasons for its decision and any conditions to which the decision may be subject. Once the decision is voted upon and the public hearing adjourned, reconsideration may occur only during a duly-constituted public hearing.

Section 9: Filing and Recording of Decisions

Decisions rendered by the Board are final only when written, signed either by each sitting Board member, or if so authorized in the approval motion, by the Executive Secretary as a representative of the Board, and filed with the Town Clerk. The decision shall not take effect until (1) a copy of the decision bearing the certification of the Town Clerk that 20 days have elapsed after the decision

has been filed in the office of the Town Clerk and either that no appeal has been filed; or an appeal has been filed within such time, and (2) the decision is recorded in the Norfolk County Registry of Deeds. The person exercising rights under a duly appealed decision does so at risk that a court will reverse the decision and that any construction performed under the decision may be ordered undone.

The applicant, appellant or petitioner bears the responsibility and cost for recording of the decision granted by the Board at the Norfolk Registry of Deeds.

Section 10: Withdrawal

Any application may be withdrawn without prejudice by notice in writing to the Executive Secretary at any time prior to publication of the legal notice of the public hearing in the newspaper. Requests to withdraw without prejudice after publication of the legal notice must also be made in writing to the Executive Secretary, but shall require approval by unanimous vote of the Board.

Section 11: Public Meetings

Public meetings, while open to public observation, are not public hearings in which the public is allowed to participate.

Section 12: Site Visits

The Board members and/or the administrative staff, at their own discretion, may individually conduct a site visit to the subject property of the application, appeal or petition to include access to the property but not within any residence or building. The applicant, appellant or petitioner shall accommodate such site visit, and any refusal on the part of the applicant, appellant or petitioner may result in the denial Board continuing the application, appeal or petition to a subsequent public hearing the date of which is conditioned upon the completion of the site visit, or at the sole discretion of the Board, consideration of the application, appeal or petition without such site visit. In the event that the appellant is not the owner of the property that is the subject of an appeal, the appellant and the Board shall work in good faith to secure access to the property for such site visit. In the event of a scheduled site visit under Section 14J(C)(1) of the Zoning Bylaw, no deliberations or decisions shall be made by the Board on such site visit that would conflict with the provisions of the Open Meeting Law.

Requests from the applicant, appellant, or petitioner for modifications or changes to the language, terms or conditions of previously granted permits, or to the site plans or documents attached thereto shall be heard at a public hearing unless the Board determines by unanimous vote in a public meeting that such modifications or changes: (1) do not constitute a reversal of a conscious decision; (2) do not grant relief different from that originally sought; (3) do not change the result of the original decision; and (4) do not prejudice anyone relying on the original decision.
