November 19th 2018

**To: Michael Zehner
From: Deputy DiGiandomenico
Re: 680 Worcester Street**

The Wellesley Fire Dept has reviewed the hydrant location and Emergency Vehicle access. The Fire Dept has no problem with this project going further but reserves the right for final approval at time of issuing a building permit with complete set of construction documents.

Sincerely,

**Deputy DiGiandomenico
Fire Prevention Officer**
