Pursuant to due notice, the Special Permit Granting Authority held a Public Hearing on Thursday, January 10, 2019 at 7:30 p.m. in the Juliani Meeting Room, 525 Washington Street, Wellesley, on the petition of Hunnewell Land Trust requesting renewal of a Special Permit pursuant to the provisions of Section II A 8 (a) and Section XXV of the Zoning Bylaw to allow the accessory garage apartment at 891 Washington Street to continue to be used as a separate dwelling unit, which is a use not allowed by right in a Single Residence District.

On December 6, 2018, the Petitioner filed a request for a hearing before this Authority, and thereafter, due notice of the hearing was given by mailing and publication.

Presenting the case at the hearing was Walter Hunnewell, Jr., 30 Pond Road, representing Hunnewell Land Trust, the Petitioner. Mr. Hunnewell said that the request is for renewal of a special permit to allow the garage apartment to be used as a separate dwelling unit.

A Board member asked about the current tenants and how long they have been there. Mr. Hunnewell said that the conditions on the property are as they have been since the last hearing. He said that the apartment has one small one bedroom. He said that Charles Micala has been the tenant there for more than six years.

The Board discussed a finding that the original building can no longer be used or adapted at a reasonable expense and with a fair financial return for a use regularly permitted in the district. A Board member said that since there have been no changes, the special permit would be renewed on the same terms.

There was no one present at the public hearing who wished to speak to the petition.

Statement of Facts

The subject property is located at 891 Washington Street, on a 5.629 acre lot on the corner of Washington Street and Pond Road, in a Single Residence District. A two-family dwelling, two detached garages, and a barn are located on the premises. The garage closest to the house was constructed in the early 1900's and is used as a three-car garage, which has an attached two-story apartment. In June 1987, the Board of Appeals granted a Special Permit (ZBA 87-48) for the premises to be used as a separate dwelling unit, as the use had been discontinued for more than a two-year period. The Special Permit has been renewed every three years since that time.

Decision

This Authority has made a careful study of the materials submitted and the information presented at the hearing. It is the opinion of this Authority that the requested Special Permit can be granted pursuant to Section II A 8 (a) of the Zoning Bylaw to allow a garage apartment at 891 Washington Street to continue to be used as a separate dwelling unit, as the original building can no longer be used or adapted at a reasonable expense and with a fair financial return for a use regularly permitted in the district, and as said use shall neither be detrimental to the neighborhood nor in derogation of the intent and purpose of the Zoning Bylaw.

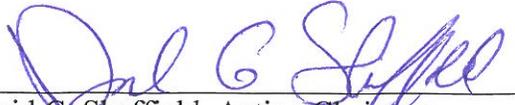

Therefore, a Special Permit is granted, as voted unanimously by this Authority at the Public Hearing, subject to the following conditions:

1. All applicable State and local laws and regulations shall be complied with by both the petitioner and the tenant.
2. This Special Permit shall expire three years from the date time stamped on this decision.
