Re: 680 Worcester Road Public Hearing Extension

Dear Chairman Levy,

Pursuant to 760 CMR 56.05(3), 680 Worcester Road, LLC, the applicant for a Comprehensive Permit under Massachusetts General Laws chapter 40B for the property at 680 Worcester Road in Wellesley, hereby consents to an extension of the 180-day public hearing period through and including May 1, 2019.

By granting this extension, 680 Worcester Road, LLC agrees and stipulates that such extension shall not form the basis of any claim that the ZBA has unduly delayed the public hearing, or that the comprehensive permit being applied has been constructively granted under any legal theory.

We look forward to continuing the public hearing process with the Zoning Board of Appeals on April 30, 2019.

Please do not hesitate to contact me should you have any questions. I can be reached at 617-782-2300 x202 or at gengler@s-e-b.com.

Sincerely,

Geoffrey Engler
