

**Be a Part
of Wellesley's
Town-Wide Effort:**

**Please Turn Off
Your Engine!**

Idling Your Car Is:

- **Unhealthy**
- **Against the Law**
- **Expensive**

Starting Earth Day, Monday, April 22, Girl Scouts will be out at a variety of schools thanking drivers for NOT IDLING. The Girl Scouts want to share the message that not only is idling against the law and there are costs associated with idling, but it's unhealthy, especially for children around school car lines.
