WMLP Offers Residential Solar Rebate Program

May 17, 2019 (Wellesley, MA) - The Wellesley Municipal Light Plant (WMLP) is participating in the Massachusetts Department of Energy Resources (DOER) Municipal Solar Rebate Program. This program will provide a rebate to qualifying residential solar installations completed before July 31, 2020. The rebate amount will be \$1,200 per installed kW of solar generation capacity.

This program is only for WMLP residential customers' installations 10 kW DC or smaller. Installations must comply with all technical requirements of the DOER program. The funding for installations in Wellesley is limited and is on a first-come, first-served basis.

Application information is available on the [Energy New England \(ENE\) Solar Rebate Program](#) information page. The Customer Packet can be downloaded; it explains the program and provides a list of Frequently Asked Questions for applicants to review. It also includes *some* of the necessary documents that must be completed and submitted with applications

In addition to the ENE Customer Packet documents, applications must include the completed [WMLP Net Metering/Interconnection Service Agreement](#), proof of property ownership and a copy of the installer contract. All documents must be submitted to the WMLP.

Additional information about this program is available on the Town of Wellesley website at <https://wellesleyma.gov/1291/WMLP-2019-2020-Solar-Rebate-Program>
