

DEPARTMENT OF PUBLIC WORKS

GRINDING NOTICE

The milling of the following streets in Wellesley will be taking place on the following days and nights:

Thursday, July 18th Starting at 9 a.m.

**School Street
Benvenue Street (only Dover to Grove)**

Friday, July 19th Starting at 7 a.m.

**Wellesley Ave (Rice St to Washington St)
Work will begin at Rice St.**

Sunday, July 21st Starting at 7 p.m.

**Continuation of Wellesley Ave
(Rice St to Washington St)**

There will be no parking on the roadway from 7:00 a.m. until 4:00 p.m. for the daytime work and 7p.m. to 5:30 a.m. for the night work.

After the grinding and sweeping process, the street will be open for normal traffic.

While it is our intention to complete this work on the day/night indicated, weather or equipment problems may cause the work to be delayed, in which case it will be done the following day or as soon as possible thereafter.

When the milling is complete, the roadway will be rough and the structures will be raised(*manhole & catch basins frames, water gates, etc.*) Please use caution when traveling until the final pavement has been installed. The roadway will be paved as soon as our contractor can schedule the work.

We apologize in advance for any inconvenience that you may experience during this process,

Questions concerning the work should be directed to the Highway Division at 781-235-7600 x3325 or email dpw@wellesleyma.go
