MARCH 22, 2020 – FOR IMMEDIATE RELEASE

NO NEW COVID-19 CASES, SUPPORT FOR *WELLESLEY WILL BE WELL* CONTINUES

The number of COVID-19 cases in Wellesley continues to remain stable with eight confirmed cases. No further information is available.

Support for the Town's *Wellesley Will Be Well* campaign continues as residents work together to adhere to the current community restrictions and find ways to support each other, local restaurants, and local businesses. Share the ways you're providing support; use *#wellesleywillbewell* on local social media.

Community information on the [Town of Wellesley website](#) includes:

- [Mental Health Resources](#)
- [Resources for the Businesses Community](#)
- [Resources for Local Restaurants](#)
- [Social Distancing Guidelines](#)
- [Volunteer for the Medical Reserve Corps](#)

During the coming week, Town officials will announce additional plans on ways to support our local business community, as well as information on a medical supply donation program coordinated by the Wellesley Fire Department.

Please remember to sign up for the Town's daily COVID-19 briefings using the Subscribe to News button on the Town website to remain up-to-date on all Town-specific information.
