

WELLESLEY MUNICIPAL LIGHT PLANT

ELECTRIC RATE SCHEDULE

VOLUNTARY RENEWABLE ENERGY PROGRAM

Rate Schedule VRP-5

MA DPU #20-12

AVAILABILITY

The voluntary purchase of all, or a pre-determined portion, of the customer’s monthly energy is available to all Wellesley Municipal Light Plant (“WMLP”) residential, municipal and commercial customers.

MONTHLY RATES

Customers may elect to purchase all, or a portion of their energy from renewable sources by selecting one of the following two options:

Percentage Desired	Additional Kilowatt-Hour Charge
50%	\$0.044
100%	\$0.044

KILOWATT-HOURS (“kWh”) PURCHASED AND BILLED

The Voluntary Renewable Energy Program (“VREP”) energy price is fixed at \$0.044/kWh for the period January 1, 2021 through June 30, 2021. The WMLP will purchase and retire Massachusetts Class I, renewable energy certificates for all energy enrolled in the VREP. Since 20% of the WMLP’s existing power supply portfolio includes renewable generation, VREP participants requesting 50% or 100% from renewable energy will only need to purchase 30% and 80%, respectively. Based on 700 kWh per month, the VREP billing amount is calculated below:

50% VREP:		
700 kWh x 50%	350	
700 kWh x 20%	<u>(140)</u>	210
VREP \$/kWh		<u>\$0.044</u>
Monthly Charge		<u><u>\$9.24</u></u>

100% VREP:		
700 kWh x 100%	700	
700 kWh x 20%	<u>(140)</u>	560
VREP \$/kWh		<u>\$0.044</u>
Monthly Charge		<u><u>\$24.64</u></u>

TERM OF CONTRACT

Either the customer or the WMLP may terminate the voluntary purchase of renewable energy at any time. The WMLP can terminate this program by giving 30-day written notice to all active participants. Customers can elect to discontinue their voluntary participation by providing written or verbal notice to the WMLP.
