

Fiske Fall 2021 Enrichment Afterschool

ACTIVITY #422501

STEAM Studio

Instructor: Wicked Cool for Kids

Join the STEM to STEAM movement - where science and art meet! Engineer and design awesome projects while learning science and math concepts. Get messy with colors, chemicals and creations to create cool rainbow slime, density tubes and shimmering salt crystals. Make repeating geometric patterns and cool nature boxes to take home.

6 weeks

Min: 6 /Max: 10

S#	Grade	Day	Time	Date	Price
03	K-5	Mon	3:10-4:10pm	10/25-12/6 (No 11/29)	\$120.00

Fiske Cooking & Baking

Instructor: Morgan Healey

Healthy Cooking Classes for Kids is interactive, energetic, collaborative cooking classes for our chefs in grades 3-5. We teach age appropriate cooking skills and we teach the importance of making healthy food choices. The children have a blast getting into the cooking experience and trying new foods. The course is open to all ability levels, and can accommodate food allergies.

6 Weeks

Min: 8 /Max: 10

S#	Grade	Day	Time	Date	Price
05	3-5	Mon	3:10-4:10pm	10/25-12/6 (No 11/29)	\$50.00

Show Time

Instructor: Cindy Wright

The show must go on!! Children will be given equitable, age appropriate roles to perform in a short play. That performance will be video recorded on the last day of the session and the video will be emailed to parents. Children will be introduced to some basics of theater and acting and will have costumes and props to help bring their characters and story to life. If time permits, we will include some music.

6 Weeks

Min: 6 /Max: 10

S#	Grade	Day	Time	Date	Price
01	K-3	Tues	3:10-4:10pm	10/26-12/7 (No 11/2)	\$120.00

Kickstart STEM

Instructor: WHS Students

This course is designed to not only build STEM knowledge and critical thinking skills in your child, but also foster a lifelong curiosity for a wide variety of STEM topics. Each week, students participate in a different hands-on activity, carefully crafted to be engaging, informational, and inspirational. These lessons cover subjects ranging from aeronautics, to cellular biology, to the physics behind extreme weather.

6 weeks

Min: 6 /Max: 10

S#	Grade	Day	Time	Date	Price
02	3-5	Tues	3:10-4:10pm	10/26-12/7 (No 11/2)	\$75.00

Kickstart Scratch

Instructor: WHS Students

Kickstart Code is scratch based programming class taught by students of Wellesley High School. The course uses exciting and engaging activities to introduce kids to the primary principles of code while encouraging exploration and discovery and helping foster a lifelong interest in coding.
