

## Hardy Fall 2021 After School Enrichment

### Activity #422504

#### Kickstart Scratch

**Instructor:** WHS

Kickstart Scratch aims to help your child gain proficiency with the Scratch programming interface, and at the same time develop the skills and coding mindset essential for future programmers in any language. Our project-based curriculum emphasizes creative problem solving, and seeks to help your child develop an ongoing passion for coding.

**6 weeks**

**Min: 6 /Max: 10**

S#	Grade	Day	Time	Date	Price
02	K-2	Mon	3:05-4:10pm	10/25-12/6 (No 11/29)	105.00

#### Show Time

**Instructor:** Cindy Wright

The show must go on!! Children will be given equitable, age appropriate roles to perform in a short play. That performance will be video recorded on the last day of the session and the video will be emailed to parents. Children will be introduced to some basics of theater and acting and will have costumes and props to help bring their characters and story to life. If time permits, we will include some music.
