

Upham Fall 2021 After School Enrichment

Activity #422505

Kickstart Python

Instructor: WHS Students

Kickstart Python uses creative projects and challenging puzzle sets to teach your child the fundamental skills and powerful applications of the Python coding language. The cumulative curriculum covers coding essentials, ranging from basic variable types to complex if/else logic structures and nested loops.

6 Weeks

Min: 6 /Max: 10

S#	Grade	Day	Time	Date	Price
02	3-5	Tues	3:10-4:10pm	10/26-12/7 (No 11/2)	\$105.00

Show Time!

Instructor: Cindy Wright

The show must go on!! Children will be given equitable, age appropriate roles to perform in a short play. That performance will be video recorded on the last day of the session and the video will be emailed to parents. Children will be introduced to some basics of theater and acting and will have costumes and props to help bring their characters and story to life. If time permits, we will include some music.

6 weeks

Min: 6 /Max: 10

S#	Grade	Day	Time	Date	Price
01	K-3	Thurs	3:10-4:10pm	10/28-12/16 (No 11/11 & 11/25)	120.00

Lego WeDo

Instructor: Wicked Cool for Kids

LEGO Robotics WeDo 2.0 teaches kids programming skills while making science come to life! The newly designed software and LEGO building kits allow kids to make untethered, free-roaming robots capable of completing structured and open ended tasks. Build roaming bots that use sensors to know when to stop or create a shake table to test house designs to withstand an earthquake. Explore fun, new programming options with WeDo 2.0 and Wicked Cool.

6 Weeks

Min: 8 /Max: 10

S#	Grade	Day	Time	Date	Price
04	1-5	Thurs	3:05-4:10pm	10/28-12/16(No 11/11 & 11/25)	\$158.00

Kickstart STEM

Instructor: WHS Students

This course is designed to not only build STEM knowledge and critical thinking skills in your child, but also foster a lifelong curiosity for a wide variety of STEM topics. Each week, students participate in a different hands-on activity, carefully crafted to be engaging, informational, and inspirational. These lessons cover subjects ranging from aeronautics, to cellular biology, to the physics behind extreme weather.

6 Weeks

Min: 6 /Max: 10

S#	Grade	Day	Time	Date	Price
03	K-2	Fri	3:10-4:10pm	10/29-12/10 (No 11/26)	\$105.00

Registration begins: Monday 10/18 at 10:00am online

Register online at wellesleyrec.org. Search by **Activity #**. Please note that you will need to log in to sign up for classes. If you don't have a user account, you will have to call (781) 235-2370 and the Recreation Department will create a new account for you.

You can also call (781) 235-2370 to register.
