Golf Membership Opportunity for Town of Wellesley Employees

[Nehoiden Golf Club](#) is a private, 9-hole golf course owned and operated by Wellesley College. The golf course is one of the oldest college courses in the country, with its origin dating back to 1893. The course is located adjacent to the Washington Street entrance of the college.

Nehoiden is a walking course. Motorized carts are not allowed. The course is open dawn to dusk, mid-April through late fall, weather permitting. Tee times are required. The first tee is located at 91 Dover Road.

Membership is available for *Town of Wellesley Employees*, who are benefits-eligible as defined by the Human Resource Department for the Town of Wellesley. Golf memberships are available for a reduced rate and town employees are eligible to bypass the [Nehoiden Waitlist Policy](#). Please note that the membership is available to the employee only, not to additional family members. However, family members can play with the member as their guest and pay the current [guest fee](#).

To inquire, please reach out to the Nehoiden golf office at nehoiden@gmail.com. In this communication, include your name, position, number of hours worked per week, as well as your contact information (email address and phone number).
