

Hardy Fall 2022 After School Enrichment

Activity #422504

Creative Writing

Instructor: Darah Angelus

Calling all writers! Have you ever wanted to write a book? Start learning here and join this creative writing class where your imaginations can catapult you into faraway settings, interesting characters and exciting storylines. Students will learn fun strategies to help create poetry, comic strips, fairy tales, personal narratives and more! Come join us and make illustrations using glitter, glue and gobs of color! Students will receive writing notebooks and have lots of fun using art materials and listen to music to inspire ideas for great writing. We will do group projects and share our work too.

Showtime

Instructor: Cindy Wright

The show must go on!! Children will be given equitable, age-appropriate roles to play, sing, dance and act to bring a story to life. That performance will be video recorded on the last day of the session and the video will be emailed to parents. Children will be introduced to some basics of theater and acting and will have costumes and props to help bring their characters and story to life. Children should dress comfortably and bring a water bottle.

Music Videos

Instructor: CinemaKidz

Kids become Art Directors, Cinematographers, Movie-stars, and Dancers as they plan, storyboard, film, and finally edit their very own Music Video. Children will utilize professional filmmaking equipment, and dive into art direction as they create costumes and props for the video. Students will work with a Choreographer to plan awesome visuals and make up their very own moves. Participants will learn how to create unique moods as they experiment with using lights, gels, various camera lenses, and more. After working on their production, participants will get down to editing, and learning awesome tricks of the trade to make an epic video. Children also have the opportunity to create an original song and/or lyrics.
