Capture the Fun with Photography
Instructor: Lisa Neighbors

Come capture the fun with Lisa of Lisa Neighbors Photographs. Learn how to take better photos while in a fun, outdoor setting! We give personalized attention to kids of all levels, and each week create exciting projects to help kids notice and capture their surroundings in new ways. We take a hands-on approach and expose kids to key photography techniques, including lighting, composition and perspective. Bring your smartphone or DSLR camera. We will have extra cameras on hand if you need one.

Showtime
Instructor: Cindy Wright

The show must go on!! Children will be given equitable, age-appropriate roles to play, sing, dance and act to bring a story to life. That performance will be video recorded on the last day of the session and the video will be emailed to parents. Children will be introduced to some basics of theater and acting and will have costumes and props to help bring their characters and story to life. Children should dress comfortably and bring a water bottle.

Digital Artwork
Instructor: iCode

Art meets technology in this new class from iCode. Using a combination of 2-D and 3-D tools, you'll sketch and draw models and animations, and apply your own touches to stylize photos. You'll design 3-D models both in a tablet and by using 3-D tools that allow unlimited creative possibilities, and you'll learn to use code to make interactive art. Join us to see how digital technology can enhance your artwork, or if you're not by nature artistic, learn how technology can make you appear to be. By the end of the class you'll have the skills you need to present your creations to family and friends.

Game Show
Instructor: CinemaKidz

Come-on dowwwwn to the CinemaKidz Game Show – an exciting, interactive class, where kids learn to produce and star in their very own game show. This class is inspired by some of TV's most classic shows, from trivia to physical challenges and obstacle courses. Participants will plan their show, build various obstacles and puzzles, make team shirts, and compete in different challenges each class. Challenges will take place outdoors as well as in the classroom. We focus on teambuilding, creativity, and FUN! Kids will learn first hand all about producing a live, action-packed show, then work to edit and complete several episodes!
