Something for Everyone @ Wellesley Recreation

The Wellesley Recreation Department offers programs year round and publishes seasonal brochures for fall, winter & spring/summer programs. Registration is held four times a year.

All Recreation Department programs are self-supporting. Fees charged for programs cover the cost of materials, pay instructor salaries and help defray other costs.

The Wellesley Recreation Commission consists of five elected members, who meet regularly to review policy and procedures. The Commission welcomes community input.

A Director, Deputy Director, Associate Director, Program Coordinator, two secretaries and custodians staff the Warren Building, home of the Recreation Department. Program instructors and part time employees are hired on a seasonal basis. We are always interested in speaking to potential instructors.

All park facilities are maintained by the Park & Tree of the Wellesley Department of Public Works.

In our ninth playing season, the Band is once again be led by legendary Wellesley schools band director Henry Platt. Rehearsals are held in the High School band room on Mondays 7-8:30 pm from September through mid-June (excluding school holidays). There is always a friendly, supportive, and enjoyable atmosphere of making music together. The repertoire is traditional concert band fare: light classics, favorite show tunes, and stirring marches. Each year the Band presents its popular Winter Concert in December and a Spring Concert in June. CHILDREN'S NETIQUETTE WORKSHOP

Email, Texting & Social Media Etiquette

Act. #231506 | Grades 5-9 | @ Warren Building | Instructor: Nikki Sawhney | One Day Class | Min 4 / Max 10

Is technology making your child rude? Social media platforms are great places to communicate and learn. However, there is a lack of etiquette on social media because etiquette rules haven't been laid out for users' event. If you do not use technology responsibly, it can negatively affect your reputation and your relationships, both personally professionally. Children and teens need to keep in mind that colleges and employers are seeking people with not just good technical and academic skills, but also with social graces, self awareness, and a positive presence on the internet. In this workshop children and teens will learn how to be more aware and digitally responsible and ensure that their image is well-reflected on the internet. **Topics Include:** Texting Protocol: When is texting appropriate • What to keep in mind when sending texts. **Email Etiquette:** Tips to keep in mind when using email • Professional email etiquette (formality, timing, salutations, subject line, reply all, privacy, etc) • Things to avoid.
