The Wellesley Recreation Department offers programs year round and publishes seasonal brochures for fall, winter & spring/summer programs. Registration is held four times a year.

All Recreation Department programs are self-supporting. Fees charged for programs cover the cost of materials, pay instructor salaries and help defray other costs.

The Wellesley Recreation Commission consists of five elected members, who meet regularly to review policy and procedures. The Commission welcomes community input.

A Director, Deputy Director, Associate Director, Program Coordinator, two secretaries and custodians staff the Warren Building, home of the Recreation Department. Program instructors and part time employees are hired on a seasonal basis. We are always interested in speaking to potential instructors.

All park facilities are maintained by the Park & Tree of the Wellesley Department of Public Works.

Celebrating our 10th Anniversary Season! From humble beginnings, with just thirteen eager recruits gathering in the fall of 2013, the band has now grown to around fifty players! If you have ever played a brass, woodwind, or percussion instrument, there's a chair, music stand, music and a warm welcome waiting for you too in the Wellesley Town Band! Players of all ages (Grade 8 upwards) are welcome, no auditions are required. The band has a real family feel, with spouses, siblings, and parents and students, all playing together. We would especially loved to be joined by some more saxophone, trumpet, horn, trombone, and percussion players.

In this special year, the band is once again led by legendary Wellesley Schools Band Director, Henry Platt. Rehearsals are held in the High School Band Room on Mondays 7-8:30pm from September through mid-June (excluding school holidays). There is always a friendly, supportive, and enjoyable atmosphere of making music together. The repertoire is traditional concert band fare: light classics, favorite show tunes, movie music, and stirring marches. Each year the band presents its popular Winter Concert in December and a Spring Concert in April. It has also performed outdoors for Mass-Hort's Gardeners' Fair at Elm Bank in May, and the Wellesley Summertime Concert Series at Town Hall in June. This will show that you are a paying Tennis Tag holder and that you are using that respective court.

We hope this procedure will show who the paying Tennis Tag holders are without having to be confrontational to someone who is not. A Recreation Department employee will periodically check to ensure night time players have purchased a Night Time Tennis Tag. Please limit the number of balls used on your court. Please be respectful and refrain from using a ball hopper during peak times.

Recent legislative changes have created many questions surrounding planning techniques:

- How can I protect my home?
- What is the penalty for giving assets away?

- When is long-term care insurance worthwhile to consider?
- What if my loved one is already in a nursing home, can they still protect their assets?
