If you are hurt on the job with a non-life threatening injury:

- Call the Occupational Health Center at Beth Israel Deaconess Hospital – Needham (781) 453-8440 when an injury occurs or is reported, between the hours of 8 a.m. to 4:00 p.m. Monday / *Tues* / Wed / Fri. 8-12 on Thursday
- Tell them you work for The Town of Wellesley and have sustained a work-related injury and need to be evaluated.
- A provider will triage the injury on the phone and determine the best approach for care; OHS walk-in, OHS appointment, Emergency Room Visit.
- You will be treated and an injury status report will be faxed to the Workers Compensation Coordinator.

If you need medical care after hours due to a work injury:

- Call the Beth Israel Deaconess Hospital-Needham Emergency Dept. at (781) 453-5400
- **INDICATE THIS IS A WORK-RELATED INJURY.** Let the Emergency Department know that The Town of Wellesley maintains an affiliation with The Occupational Health Services of Beth Israel Deaconess Hospital- Needham to treat work-related injuries.

Our new location is two blocks from the hospital. Parking is available at that location in the rear and underneath the building. If the lot is full, street parking is also an option.
