Something for Everyone

@ Wellesley Recreation

The Wellesley Recreation Department offers programs year round and publishes seasonal brochures for fall, winter & spring/summer programs. Registration is held four times a year.

All Recreation Department programs are self-supporting. Fees charged for programs cover the cost of materials, pay instructor salaries and help defray other costs.

The Wellesley Recreation Commission consists of five elected members, who meet regularly to review policy and procedures. The Commission welcomes community input.

A Director, Deputy Director, Associate Director, Program Coordinator, two secretaries and custodians staff the Warren Building, home of the Recreation Department. Program instructors and part time employees are hired on a seasonal basis. We are always interested in speaking to potential instructors.

All park facilities are maintained by the Park & Tree of the Wellesley Department of Public Works.

Registration begins @ 10am on Dec. 6 for residents & Dec. 13 for non-residents. Register online @ wellesleyrec.org

AIKIDO: for Teens & Adults

Act. #141855 | Ages 13+ | @ 26 Summer St, Natick | Instructor: Framingham Aikikai Staff | 8 Weeks | Min 2 / Max 10

Aikido is a traditional Japanese martial art. It is both a technical system of self defense and a powerful moving meditation. Classes are highly structured, and typically include stretching, drills, and technical instruction. Aikido is essentially non-competitive, and thus there is no sparring. Instead, students work in partnership to support each other in performing techniques with increasing accuracy, finesse and power. This approach allows all students to challenge themselves and reach their potential free of pressure to compete with one another. Aikido is appropriate for all ages, genders, sizes and abilities. Over time, the dedicated practice of Aikido improves attention, concentration, emotional regulation, self awareness, self confidence, communication and collaboration - all while getting fit, making friends, and having fun! **SKIP DAY: 2/24**

Location: Framingham Aikikai, located at 26 Summer Street in Natick.

STILL LIFE & BASIC DRAWING

Act. #141425 | @ Warren Building | Instructor: Alfred DeAngelo | 8 Weeks | Min 5 / Max 12

Intro to Still Life and Observational Drawing is the right course for those who have no drawing experience or a refresher course for those who feel they have an unexplored artistic talent. Before you can create beautiful art you need to learn the basics of drawing and our goal is to help you awaken that hidden ability to express yourself artistically. In the course you will start by learning how to analyze what you see. You will progress from drawing simple geometric objects to more complex shapes and still life setups, while gaining an understanding of perspective, line, shading, texture and color. Each individual artist will be able to progress as far as their skills will take them in the 8-week course. Alfred De Angelo has a BFA from the Massachusetts College of Art and a Master of Fine Arts degree from the Rhode Island School of Design. Alfred is a member of Wellesley Society of Artists. He has been an exhibiting member of the Copley Society of Art, Boston, since 2004. Required supplies: Pad of drawing paper (14 x17 or larger), A range of drawing pencils (HB-4B), pencil sharpener, kneaded eraser, rubber eraser, a masonite clipboard (approx. 20 x 24) or a stiff backing cardboard for use on an easel.(Recommended: pencil sets are available that include drawing and charcoal pencils, erasers & sharpeners). **SKIP DAY: 2/20**

NEW YEAR, NEW MINDSET: Mastering Self-Love for Lasting Change

Act. #142676 | @ Warren Building | Instructor: Coleen Greco | 4 Weeks | Min 4 / Max 10

68% of us will set a New Year's resolution focused on our health and wellbeing including diet, exercise and/or a mental health goal. Within 2 weeks of the ball dropping, less than 10% will remain committed to that goal. **Why?** We are focused on a singular and tactical goal versus reversing the actions and mindset that brought us to the point of developing a resolution.

WHAT IF THIS YEAR WERE DIFFERENT? This year, what if we looked at our health holistically, understand how the various parts and pieces fit together, mind body and soul and developed lasting changes to our mindset that allow us to see the world and ourselves through the lens of self love - doesn't that sound like a great way to kick off 2024?

Join me in this 4 week course where I'll share with you the fundamentals of this journey to retire limiting beliefs, remove unwanted pounds, and reclaim your joy.

LONG TERM CARE ASSET PROTECTION

Act. #143648 | ONLINE | Instructor: Daniel Williams | One Day Program | Min 6 / Max 12

The high cost of long-term care can wipe out a family's life savings in a short period of time. Unfortunately, many families are faced with this situation, finding themselves at the mercy of an under-funded government Medicaid system with limited choices. Recent legislative changes have created many questions surrounding planning techniques: How can I protect my home? • What is the penalty for giving assets away? • Are my assets protected if I put them in a trust? • When is long-term care insurance worthwhile to consider?

What if my loved one is already in a nursing home, can they still protect their assets? • All of these questions and more will be clearly answered in this very important class.

COLLEGE CAREER COMPASS

Act. #143605 | **@ Warren Building** | Instructor: Eric Hammond | One Day Program | Min 10 / Max 50

Would you like your high school (HS) or college student to be on the right path to a happy and successful college experience and/or career? The key to making the best decisions about educational and career paths is self-awareness – it truly leads to living a meaningful life and career. College Career Compass provides the tools and one on one coaching to help students gain and leverage self-awareness of their personal strengths, talents, and interests using the Strong Interest Inventory® and Clifton Strengths® assessment results. Personalized assessment results provide individuals with valuable, in-depth insights that will help them identify and consider educational path options and potential careers that best align with who they are and what will make them happy.

The co-founders of College Career Compass Eric Hammond and Alyssa Hammond, who is the current Director of Career Services at Bentley University, the #1 ranked Career Services Department in the country, will be presenting an informational seminar to discuss the importance of self-awareness when beginning your college/career exploration journey. This event is open to high school junior and seniors and their parents. **REGISTRATION IS REQUIRED.**
