

Introducing the...

## Climate Cafe

Thursday, April 25, 3:00 to 5:00 p.m.

Wellesley Free Library, the Commons

***Chat with an [Energy Coach](#). Enjoy FREE coffee and refreshments on us!***

We can help you save money, increase the value of your property, improve your health, and preserve the planet for the people you love.

*Learn how YOU can enjoy:*

- Local, state, and federal [financial incentives for electrification](#)
- [No-cost technical advice](#) to help you prepare to upgrade your HVAC, water heater, and appliances
- Lower heating and cooling costs
- Increased property value
- Improved indoor air quality
- Public transportation
- Impressive financial incentives when you buy an electric vehicle
- A safer yard for children, pets, and the environment
- Reduced waste

**We can help you shrink your carbon footprint today!**
