Article 31

SUPPORTING FIRST RESPONDERS

Living Distance for First Responders

- Under current state law, non-civil service fire and police personnel are required to live within a 15-mile radius of the border of the municipality for which they are employed
- Given the lack of affordable housing in Massachusetts and Wellesley's desire to attract and retain Fire and Police personnel, this Article seeks to expand the radius from 15 to 35 miles – greatly expanding the area in which firefighters and police officers may live if they work for Wellesley
- Wellesley Firefighters bargained for this provision in their most recent contract; would have to bargain with Police to extend the radius to 35 miles
- Both Fire and Police Department leadership are supportive of this initiative

To see if the Town will vote to authorize the Select Board, on behalf of the Town, to petition the General Court for passage of a special law substantially as provided below. The Legislature may make clerical or editorial changes in form only to the bill, unless the Select Board approves amendments to the bill before enactment by the Legislature. The Select Board is hereby authorized to approve amendments that shall be within the scope of the general public objectives of this petition, or take any other action in relation thereto.
