

WELLESLEY FREE
LIBRARY

The Wellesley Free Library is seeking its next Library Trustee: a strong communicator and library advocate who is interested in joining the fearless, flexible and fun Library Board.

Desirable candidates value the mission, vision and values of the WFL including intellectual freedom and equal access for all; collaboration; the expertise of a knowledgeable staff; thoughtful innovation; and creative approaches to building upon the Library's history of excellent patron service.

Trustees establish and update policies; develop the Library's strategic plan; review, approve and advocate for the Library's budget; and communicate and promote the Library's mission, goals, and objectives to the broader Wellesley community. In addition to attending monthly Board meetings, Trustees attend Annual, Special and other Town meetings and typically spend several hours per week on Board assignments.

The incumbent will complete a term ending March, 2026 and will be expected to run for a three-year term in the next election cycle.
