

SECTION XXIII. TEMPORARY MORATORIUM ON MARIJUANA ESTABLISHMENTS  
*(Editor's Note: Section XXIII added March 27, 2018 to reflect new provisions adopted under Article 30 at 2017 ATM)*

A. Purpose.

By vote at the State election on November 8, 2016, the voters of the Commonwealth approved a law regulating the cultivation, manufacture, processing, distribution, sale, possession, testing and use of marijuana. The law provides that it is effective on December 15, 2016, and that a new state agency, the Cannabis Control Commission (CCC), is required to issue regulations regarding implementation by March 15, 2018.

The regulation of such Marijuana Establishments raises novel and complex legal, planning, and public safety issues. The Town needs time to consider and address these issues, as well as the potential impact of the forthcoming Cannabis Control Commission regulations, by means of a comprehensive planning process to consider amending the Zoning Bylaw to regulate Marijuana Establishments. The temporary moratorium provided in Section XXIII. is intended to allow sufficient time for the Town to engage in such a planning process and to adopt suitable Zoning Bylaw provisions in a manner consistent with sound land-use planning objectives.

B. Definition.

As used in Section 5.6.6, the term "Marijuana Establishment" shall mean a marijuana cultivator, marijuana testing facility, marijuana product manufacturer, marijuana retailer, or any other type of marijuana-related business, subject to regulation under Chapter 94G of the Massachusetts General Laws; provided, however, that a Registered Marijuana Dispensary shall not be deemed to be a Marijuana Establishment.

C. Temporary Moratorium.

For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaw to the contrary, the Town hereby adopts a temporary moratorium on the use of land or structures as a Marijuana Establishment. The moratorium shall be in effect through December 31, 2018, unless extended, continued, or modified as a subsequent Town Meeting. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of Marijuana Establishments and other related land uses and structures, consider the Cannabis Control Commission regulations regarding Marijuana Establishments when they are issued, and shall consider adopting new provisions of the Zoning Bylaw governing the location, operation and effects of Marijuana Establishments for consideration by the 2018 Annual Town Meeting.
